

Accubuilt-produced Funeral Coaches

OPTIONAL FEATURES

In an effort to continue to provide our dealers and customers with the finest professional vehicles available, Accubuilt would like to present our most popular vehicle options. At Accubuilt, we continually strive to offer our customers the standard and optional features that make the performance of their jobs easier and more worry- and hassle-free. In addition to the options presented here, we also offer a number of customized options based on individual requests.

If you would like something specific that you don't see pictured, please have your local authorized dealer contact us to see how we can provide it.

Whichever brand you choose, Accubuilt can customize your vehicle, both inside and out, with all the options you desire to make it even more beautiful and functional....and uniquely your own!
